

BBCUD Water Service Agreement/Application

This form must be accurately completed and provided to BBCUD prior to water utility hookup. By completing and signing this form, I agree to and accept all the terms, conditions, fees & expenses associated with requested service.

Applicant Information:

Name: _____

Service Address: _____

Mailing Address (if different): _____

Phone Numbers (home/cell): _____

Email: _____

Driver's License Number & State: _____

Place of Employment & Phone Number: _____

Have you ever had water service with BBCUD?
(If yes, when and what name?) _____

Are you a landlord of this property? _____

Date to be turned on: _____

WATER SERVICE AGREEMENT

Beginning April 1, 2017 all new taps must have a cut-off valve and a PRV installed at the meter on the customer's side before we will install the meter. This will be inspected by our distribution worker before water service can be established. By signing this agreement, you are agreeing to these terms. If a cut-off valve and PRV is not installed, the customer will be responsible for a \$75.00 service charge fee each time we are called out to turn the meter off/on for the customer.

Water Service Connection Fee: Homeowners will have a 75.00 non-refundable service connection fee that shall be paid in full prior to the establishment of the water service account and water service turned on. Renters will have a 150.00 non-refundable service connection fee that shall be paid in full prior to the establishment of the water service account and water service turned on. Landlords will have a 35.00 non-refundable service connection fee that shall be paid in full prior to the establishment of the water service account and water service turned on.

Customer Service

- Leak adjustment- one per fiscal year with ServLine if the leak meets criteria per BBCUD Policy.
- There are no adjustments for filling swimming pools.
- A payment drop box is located at the BBCUD entrance for after-hour payments.
- Office hours are 8:00 a.m. till 3:45 p.m. Monday thru Friday.

Billing

Minimum bill charges will be applied to your account each month and will be initiated with the water service being turned on. The minimum bill will be applied even if the amount of usage is 0. The minimum bill charge is calculated per the current rate schedule.

First notice is generated/mailed on the 23rd after the meter is read each month on the 9th. The due date on the bill is the 12th of the month. The payment shall be received by 3:45 p.m. on the due date to prevent a penalty from be added to your account.

Penalty- Billing/Collection System generates the customer accounts for which payment has not been received by 3:45 p.m. on the due date and calculates the penalty. Penalties are applied to each account after 3:45 p.m. on the due date.

A customer will have 10 days from the first notice due date to pay the past due account balance. If the total past due balance on the account is not paid in full by 3:45 p.m. on the 22nd then a **non-payment fee (40.00)** shall be applied to the account, and it will be subject for disconnect.

An account that has had water service terminated for more than ten days will be made inactive. To re-establish service for this account, the balance shall be paid in full and to turn the water on a \$75.00 non-refundable reconnect fee shall be paid.

Returned Check Fee/Auto draft- A \$30.00 fee will be applied for all returned checks/auto drafts.

ServLine is our new leak protection program that began on August 1, 2023. All new residential customers are automatically enrolled in this program for a \$1.80 charge per month on their bill. If a customer wishes to opt out of this program they can call ServLine at 1-877-816-0030. If a customer chooses to decline this program they will accept full responsibility for all excess water charges caused by a leak. More information is available about this program on our website at bbcud.com or you can request a brochure in our office.

Customer Complaints

Please notify the Customer Service Center with any questions, concerns and/or complaints that you have during normal business hours (423)538-4043. Emergency (after hours) 423-538-7241.

I have been provided the current CCR for BBCUD Water System. Also, I have been provided educational information on how to protect the water system from cross connections.
